

# SCENARIO EXPLORATION SYSTEM

The future of migration in Europe and beyond

# EUROPEAN COMMISSION'S JOINT RESEARCH CENTRE

- **Joint Research Centre:**
  - The European Commission's in-house science and knowledge service
  - bridging between research and policy
- **Knowledge Centre on Migration and Demography (KCMD):**
  - Knowledge management to support EU and Member States in migration policymaking
- **EU Policy Lab:**
  - foresight, behavioural insights and design for policy
  - innovation and stakeholder engagement

# EU POLICY CONTEXT

- Migration: policy priority for the EU
- Need for better-preparedness, anticipation and foresight
- Beyond short-term agendas
- Space for reflection

# MIGRATION SCENARIOS

- Participatory process
- Drawing on other foresight studies by OECD and UK Foresight
- Alternative plausible futures rather than predictions
- Complementing quantitative scenarios to stimulate discussions about the future
